2011 Winter Seminar

January 12 — 17, 2011*

*Arrive on January 12, 2011
Depart on January 17, 2011

The Florida Defense Lawyers Association is pleased to announce the return to **Big Sky**, for the 2011 Winter Seminar!!!!!!! Join us for top rate CLE programs, fellowship, and skiing in one of the West's most spectacular but largely undiscovered resorts. Compared to many popular Colorado and Utah resorts, Big Sky offers smaller crowds, shorter lift lines, and lower costs for lift tickets, equipment rentals, and ski school, while still featuring excellent skiing on thousands of skiable acres. (<http://www.bigskyresort.com>)

- ◆ Big Sky offers instant access some of the most diverse skiing and snowboarding amongst breathtaking vistas in the lower 48. Float down a 2,000 vertical foot, powder filled bowl beneath Lone Peak; Bob and weave through the Bavarian Forest; Ride the Lone Peak Tram for a bird's eye view of untamed wilderness.
- ◆ The Big Sky Resort-Moonlight Basin interconnect gives you access to more skiing than anywhere else in the United States. With the Lone Peak Pass lift ticket, you can access 5,512 skiable acres and endless ways to navigate 4,350 feet of vertical drop. At 11,166 feet it's easy to see Lone Peak's appeal to every age and level of skier and boarder. Runs up to six miles long and glades and bowls covered in 400~plus inches of annual snowfall make a day on the slopes something different for everyone
- ◆ It's Winter in Yellowstone National Park. Frothy geysers. Chance encounters with bison and wolves. Frozen curtains of ice. The park's west entrance is only 48 miles away. Through the park's gates you'll find such only-in-Big Sky experiences as Ranger-guided snowshoe hikes around West Yellowstone; Snowcoach rides to the Old Faithful Snow Lodge; cross-country skiing along Riverside Trail; snowshoeing to frozen Mystic Falls; guided snowmobile tours into the park's interior. Full-day Yellowstone trips are available. Shuttle service is provided.
- ◆ Winter activities abound—dog sledding—horseback riding in the snow—cross-country skiing—snowshoeing—back country skiing—horsedrawn sleigh rides—ice skating—winter fly-fishing—snowmobiling——
- ◆ Relax and unwind—hot tubs & Jacuzzis—pamper yourself with a full day spa treatments
- ◆ If you want to take a piece of the Rockies back with you, Big Sky has numerous shops filled with authentic made-in-Montana oddities as well as all the essentials to make your trip complete. Several full service grocery markets are in both the Meadow and Mountain Village.

2011 WINTER SEMINAR

Now is the time to make your plans to attend the seminar. ***A commitment from a minimum of 25 attorneys by July 1, 2010 is required in order to put on the seminar.***

We need to know who wants to go, how many people are in your party, and what type of accommodations you want (described below). Your deposit will confirm your intention to attend, hold your specific accommodations, and is due no later than July 1, 2010. The deposit is non-refundable, but we will work with you to try to find replacements if necessary. As unexpected emergencies can arise, and as winter travel can at times be unpredictable, you might want to consider purchasing trip insurance to provide financial protection for expenses related to trip cancellation or interruption.

Send in your completed reservation form with your deposit today! If you have questions, please contact either the FDLA office or Nell McInnish at 800-365-1224.

This brochure provides additional details about the **2011 WINTER SEMINAR** in **BIG SKY**.

Here are important details:

- **DATES:** January 12 – 17, 2011 (Martin Luther King Weekend). This is one of the MAIN ski weekends so reservations and travel arrangements **MUST** be made **EARLY!**
- **SKIING:** GREAT!!! Big Sky offers instant access some of the most diverse skiing and snow-boarding in the lower 48. The Big Sky Resort-Moonlight Basin interconnect gives you access to more skiing than anywhere else in the United States. You'll find almost twice as many acres as skiers.
- **LODGING:** We're holding an assortment of units (descriptions enclosed). The number of each type is limited so be sure to reserve your preferred type early. The prices include **5 nights accommodations** and current taxes. Subject to availability, **Big Sky** will offer the same daily rates for those wanting to come early or stay longer.
- **TRAVEL:** Big Sky is very accessible. More than 25 flights a day arrive into Bozeman, Montana on several major airlines, including Northwest, Delta/Sky West, and United/United Express. Big Sky is only a 45 minute ride from Bozeman. You can rent a car or take one of many various shuttle services which run regularly between the airport and the resort. Since the seminar falls over the Martin Luther King holiday weekend, **make your plane reservations early!** If you need assistance with travel arrangements, Nell McInnish will be glad to help.
- **SEMINAR:** Past attendees at FDLA Winter Seminars have consistently raved about the quality and timeliness of CLE presentations. The smaller setting of this seminar promotes in-depth discussion and exchange of ideas among many of our most experienced defense lawyers. The 2011 seminar will offer more outstanding topics for CLE credit.

We look forward to hearing from you—and think snow!
